Dear Maid - I like my city
residence - one square from West
10th 12th street. Our Summer
residence "Oak View" was the former
home of President Cleveland. My
husband bought it a year ago last
fall. I don't - my Mother, as well as
myself feel very sorry to have
disobeyed your command & think
you will pardon it. I feel that
you have not been unmerciful to
us, but my Mother is not feeling
at all well at the present time.

and take you or it might be
more satisfactory if these should
be anything I have neglected
Please write & I will respond
promptly

My dear Mrs. Hitchcock A. L.

My sister Mrs. Osborn was married March 1st 1870.

My sister Mrs. R. H. Delahay was born about 1844 - was married

in June 1885 - Brother Robt H. is

Traveling Auditor for the Rock Island

headquarters at Topeka has been in his employ ever since he was

grown. My younger brother L. H.

is R. R. News agent at Fort Worth

Texas - for six roads running from

that point. My eldest brother W.

Edward Baker D. was a Lieut in

the U. S. Navy Retired when he died

Was a graduate of U. S. Naval Acad-

emy at Annapolis Md in 1869.

While have been a teacher of Dan-

ting & Painting for 18 years past, spe-

six years teaching in boarding schools for young ladies and the remaining years have taught at home and helped keep the home and taken care of the invalids in the family etc. I am sorry that I have not a good photo of my Mother that I can send to you. My Father as perhaps you are aware was well known in Illinois's politics from 1848 to 1853 - then better known in Kansas from 1853 to 1870 - He published the first Free State paper on the border. The press was destroyed by a Pro Slavery mob and thrown in the M. & K. River. He was driven away from the Territory the winter of 1853 & 54 - Later he returned and remained. He was Surveyor General of Kansas & Nebraska

led under Mr. Lincoln - Then later
Mr. Lincoln appointed him U. S.
District Judge for Kansas. Mr.
Lincoln was a warm personal
friend of my Father - The only time
he (Mr. Lincoln) was ever west of
the Missouri River he came out here
at my Father's earnest solicitation
and was our guest for one week
in Dec. 1859. The Grandfa-
ther John Hanks had a brother
Nathan D. Hanks who lived at
Leaven Hill DeKalb Co. and presume
some of his family are there now.
He also had a great uncle named
Richard Hanks who lived at Nash-
ville Tenn. Who used to boast that
his family were related to George
the 3rd of England. There was another
ancestor of ours who lived at Lumberton
ville S. Carolina by the name of Ber-

tramm Hanks - I also another one
by the name of Thomas Hanks who
lived at Tuscumbia Alabama when
my Mother was a little girl - These
are all that she can recall -

I beg your pardon for the long
delay in replying to your last letter
and for this hasty penciled
reply - My Mother has been an in-
valid since the 23rd of last month
her 73rd birthday from a fall in
which she broke her right arm
just above the wrist. She has been
extremely delicate since the death
of my Brother & Sister - and we were
afraid ^{at first} she might not recover
from the shock she sustained - But
she is now improving and doing
as well as could be expected.
Wishing you success in your undertake-
ing believe me

Very truly
Mary E. Delahay
